Detergent Liquid Concentrate

Detergent Liquid Cond

SKU: 99-30109-00

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Set-Hex Driver

Set-Hex Driver

SKU: 98-10004-00

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

O-Ring, 3.475 x .275 Sheath/Waste Tank Lid

O-Ring 3.475 X .275

SKU: 88-20149-00

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Scanner Barcode GD4400-B 2D

Scanner Barcode 2D

SKU: 663058

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

BD FACSLyric workstation

Bundle Computer Z240SFF FACSLyric US IVD

SKU: 663008

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Wetcart Quick Connect Conversion Kit

Convert Kit Sheath/EtOH Filter

SKU: 662915

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

FACSAria Wet Cart Standalone Assy

Sheath/EtOH Filter Line Quick Con

SKU: 662697

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Sample Line Assy FACSMelody Service

Sample Line Assy FACSMelody Service

SKU: 66222707

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Wrench Set L-Key Hex Metric Ball End 9PC

Wrench Set L-Key Hex Metric Ball End 9PC

SKU: 662067

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

BD FACSMelody Nozzle Assy 100 Mn Sq Cuvette

Nozzle assy 100 Mn Sq Cuvette

SKU: 662037

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

BAKER BD404XD SterilGard e3 BSC US

BAKER BD404XD SterilGard e3 BSC US

SKU: 661897

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Premium Accessory Kit

BD FACSMelody Premium Accessory Kit

SKU: 661774

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Temperature Control 115V

BD FACSMelody Temperature Control 115V

SKU: 661769

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Filter Quick CONN FEM FEM 0.2um PPL

Filter Quick CONN FEM FEM 0.2um PPL

SKU: 661744

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described
Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Panel Access Sort Block ACDU Assy

Panel Access Sort Block ACDU Assy

SKU: 661721

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

FC Bead Dilution Buffer

FC Bead Dilution Buffer

SKU: 661614

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Holder EPPENDORF Tube 1.5ml

Holder EPPENDORF Tube 1.5ml

SKU: 661454

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Holder Temp Control Eppendorf

Holder temp control eppendorf

SKU: 661453

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Holder Temp Control 12X75mm

Holder temp control 12X75mm

SKU: 661452

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Tube Holder Short

Sample tube holder

SKU: 661401

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

C6 Plus Workstation Computer and Software

Dell Optiplex Workstation Bundle

SKU: 661391

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Cable Extension Sheath 48IN 4PIN

Cable Extension Sheath 48IN 4PIN

SKU: 661367

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Cable Assy Waste Extension

Cable Assy Waste Extension

SKU: 661365

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Filter 20um 25mm DISC PPL

Filter 20um 25mm DISC PPL

SKU: 661356

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

C6 Plus 1-year Maintenance Kit

PM Kit Flow Cytometer 1 Year

SKU: 661331

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Remote Interfacing Module for BD Accuri C6 Plus Flow Cytometer

SW Bundle Remote Control Module C6 Plus

SKU: 661087

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

User Tracking Module for BD Accuri C6 Plus Flow Cytometer

SW Bundle User Tracking C6 Plus

SKU: 661086

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Selectable Lasers Module for BD Accuri C6 Plus Flow Cytometer

SW Bundle Selectable Lasers for C6 plus

SKU: 661085

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

CSampler Plus Analysis Software for PC or Mac

SW CD Bundle CSampler Plus Anlys PC MAC

SKU: 661084

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

C6 Plus Analysis Software for PC or Mac

SW CD Bundle C6 Plus Analysis SW PC MAC

SKU: 661083

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Cable Assy Blk Hd to Computer

Cable Assy Blk Hd to Computer

SKU: 661065

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Cable Assy Bulkhead to Workstation

Cable Assy Bulkhead to Workstation

SKU: 661055

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

C6 Plus 2-month Maintenance Kit

PM Kit Flow Cytometer 2 month

SKU: 660634

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Extended Flow Cell Clean Solution

BD Extended Flow Cell Clean Solution

SKU: 660586

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

Detergent Solution Concentrate

BD Detergent Solution Concentrate

SKU: 660585

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.

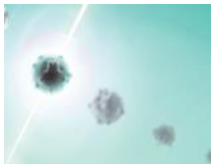

Sheath Additive

BD Sheath Additive

SKU: 660584

Global - Refer to manufacturer's instructions for use and related User Manuals and Technical data sheets before using this products as described

Comparisons, where applicable, are made against older BD Technology, manual methods or are general performance claims. Comparisons are not made against non-BD technologies, unless otherwise noted.
